

SQA Exam diet 2026

**Please note that parents/carers or any other person who is not taking the exam must not accompany the candidate upstairs to the exam room. Only exam candidates and TEAS staff can pass beyond the main foyer on the ground floor of the Livingstone Tower, all others are not permitted to the upper floors which are live and secure exam sites.**

We recommend candidates download/save/print this document for use throughout the exam diet.

Please refer to the table below to find the exam(s) you are taking with us and the room you need to report to on the relevant date and time. Please note that any candidates with separate accommodation will be taken there by our staff but should report to the main room in the first instance.

All rooms are in the Livingstone Tower (LT), Richmond Street, Strathclyde University. The first number on the room code indicates the floor that the room is on. For example, LT209 means room 09, on the 2<sup>nd</sup> floor of the Livingstone Tower.
